

Historic Boston-Edison Neighborhood Private Security Patrol

Based on requests from residents, the Historic Boston-Edison Association has contacted Dusing Security and Surveillance (DSS) to provide a security patrol in the Boston-Edison neighborhood.

How the Program Works:

- 1 The cost per residence is \$30.00 per month.
- 2 DSS will patrol the Boston-Edison neighborhood a certain number of hours per week.
- 3 Patrol hours are based on the number of subscribers. The more residences that pay, the more hours DSS will patrol.
- 4 For example, in order to patrol the streets of Boston Edison for 40 hours a week, we would need 150 residences to pay \$30.00 a month.
- 5 DSS will charge individual residences directly for the patrol service.
- 6 Dusing Security invoices directly \$30/month x 3 month subscription = \$90. There are **NO CONTRACTS**. When your payment is received, you will be considered a paid subscriber.

Services that YOU would receive for subscribing:

- 1 During every shift, DSS would spend a significant amount of time near your residence.
- 2 If you get home late at night while DSS is on duty, you can call for the patrolperson to escort you to your home.
- 3 If you are out of town, DSS will keep an extra eye on your residence (pick up papers, call you if there is unusual activity at your home, etc).
- 4 During the patrol shift, if an alarm occurs at your house, DSS will respond: not to replace the police, but as an extra set of eyes and ears.
- 5 If you have or want a monitored security system, DSS will provide the 24-hour alarm monitoring service to you at **NO EXTRA CHARGE!** Instead of paying two monthly fees, you pay DSS \$30.00 a month to receive 24-hour alarm monitoring **AND** personalized patrol service.

Only subscribers receive these benefits.

DSS Credentials:

- 1 Opened for business in October 2001.
- 2 Currently provide same security services in North Rosedale Park (since 2002), Historic Indian Village (since 2003), West Village and Berry Sub.
- 3 Employees are fingerprinted, drug tested and screened thoroughly.
- 4 Full service security company-Service/Install security systems in homes and businesses; provide 24-hour alarm monitoring; camera systems; intercoms; etc.
- 5 Licensed and Insured.
- 6 Learn more at <http://www.safewithdss.com/>

Sign up now!

150 subscribers are needed for 40 hours/week of Patrol. We still need a few more to meet our goal. If you have already signed up at the Spring General Meeting or have phoned in your interest ... **THANK YOU!** But we could still use your help: speak to a neighbor and bring us 1 more subscriber.

For more information, or to sign up, send HBEA an email at bostonedison@gmail.com with your name, address and phone number to express interest (or call 869-2757) and you will be contacted individually.
