Dear Neighbor,

Now more than ever it is this strength of community that binds us all together. The HBEA is the oldest neighborhood organization in Detroit in one of the largest historic neighborhoods in the country. Whether you have been a longtime resident or have just moved in, your support is necessary for the HBEA to fulfill its mission. The new/upcoming fiscal year begins May 1<sup>st</sup> and ends on April 30, 2022. We ask that you renew your membership or consider becoming a member for the first time. These membership dues go a long way to securing a higher quality of life for all residents of Boston-Edison.

### **Your contribution makes a difference.**

Your membership dues help support events such as the annual Holiday Home Tour, Concerts in Boston-Edison, and the annual Picnic in the Park. Additionally, your dues fund events for our youngest neighbors, such as the annual Easter Egg Hunt and Ice Cream Social/Movie Night and Chalk Art. Additionally, the HBEA helps ensure the safety and beauty of our neighborhood with its Security Committee, Boston-Edison clean up, alley clean ups, six bi-weekly clean-ups, holiday decorations, banners on the gateways and the maintenance of the flower beds. Your contribution will allow for the continued publication of our newsletter and website. Lastly, and perhaps most importantly, as a member **you have a voice** in the direction of our neighborhood through members-only voting privileges at our annual meeting and election for board of directors.

### **How we all benefit from membership and donations!**

You can establish neighborhood bonds; solve problems together; raise the level of property maintenance; establish better communication with neighbors; work more effectively with city municipal services; create pride in our neighborhood; and make our neighborhood a safer place. Also, as in past years, generous donations above and beyond the **\$60** will qualify you as a Gilded Giver which further guarantees that the work of the HBEA will continue to enhance the quality of life for all residents.

While the association is doing wonderful work to keep our neighborhood connected and beautiful, it is dependent on your support. We need you to help us preserve what makes this neighborhood a great place to live. JOIN the Historic Boston Edison Association today.

Thank You!

Historic Boston-Edison Association Membership Committee.
